

CO V ŘADĚ CHYBÍ?

V tomto pracovním listu si procvičíš pozornost i logické uvažování.
Co chybí v řadě? Tvým úkolem je najít správný obrázek v řadě pod tabulkou,
vystříhnout ho a doplnit na správné místo.

Vystříhni tyto obrázky a ty, které vybereš, doplň na správná místa v řadách.
Pozor, některé potřebovat nebudeš!
